

Investing for Success

**Under this agreement for 2017
Mount Isa School of the Air will receive**

\$68 395*

This funding will be used to

- Ensure 90 % of English students will achieve A-C as a LOA
- improve 25% of student's English by one LOA from Sem 1 2016 to Sem 1 2017
- target Year 3, 5, 7 and 9 students to meet the NMS across the reading domain.
- achieve a result of 30% of Year 3 and 5 students and 25% of Year 7 and 9 students achieve in the U2B.
- target at risk students in Year 3 and 4 identified in NAPLAN and school data in order to achieve their individual learning goals.
- target at risk students in Year 3 and 5 identified from school literacy data in order for them to achieve NMS in the literacy domains.
- identify students at risk in their development of early language skills from school and NAPLAN data in order for them to achieve their individual learning goals.

Our initiatives include

- A process in place to identify at risk students through analysis of NAPLAN data and short term data cycles and provide them individualised lessons.
- Ensure lessons respond to emerging data.
- Individualising student goals and learning through individual reading and feedback sessions.
- Ensure the intent of the "Investing for Success" is a clear part of the performance framework process.
- Data collection, through the use of a data wall, across the school that informs teaching and learning.

Our school will improve student outcomes by

• Individual evidence based lessons (boost) for at risk students by employing a teacher	\$30 000
• Reading lessons & individual feedback session structured to respond to individual student data by employing teacher aide.	\$38 395
• More direct teaching of identified needs in Maths & English due to analysis of NAPLAN data and school community needs.	Nil
