**The School Plan**

**Mount Isa School of the Air**

**Four Year School Plan 2013 – 2016**

**Name of school:** Mount Isa School of the Air  
**Name of principal:** Mr Timothy Moes  
**Address:** 137-143 Abel Smith Parade, Mount Isa 4825  
**School band:** 08  
**Year levels:** Grades PY-10  
**Quadrennial school review (QSR) year was:** 2012

**School Profile**

Mount Isa School of the Air is a government co-educational P to 10 school servicing the needs of isolated students in North West Queensland. Our enrolments are drawn from a large geographical area which extends from the Gulf to Birdsville, from Richmond in the east to the Territory in the west. Students are enrolled in one of the following categories - geographical isolation, medical condition, mobility, exclusion, family circumstance and home based / travelling - by choice. We provide our students with their curriculum through paper/web-based materials, daily on-air synchronous lessons, reading lessons and our field program. Core learnings are based on the key learning outcomes for all strands in all key learning areas as described in syllabus documents developed by ACARA and the Queensland Studies Authority. Extra-curricular activities such as violin, recorder, Scouts of the Air, Rock Pop Mime, Opti-Minds and RE are offered. Given that our school community extends across a quarter of Queensland we have a wonderfully supportive, caring and active school community. There is strong cohesion in relationships between staff, parents, governors and students.

</table>
| Excellence in Education in the Outback | Core Priority - Reading  
(To provide a consistent systemic model of reading instruction across all year levels)  
Spelling  
(To develop a tiered spelling program to value add and to support the implementation of the spelling in the C2C curriculum)  
Australian Curriculum Implementation  
(To fully embed and operationalise the new Australian Curriculum in a Distance Education context with a focus on the needs of the geographically isolated students. Operationalising includes creating a consistent and systemic model for feedback to students and their home tutors and to determining the most appropriate on air and curriculum delivery methods)  
Whole-of-school assessment and data collection  
(To implement a system of analysis of NAPLAN results in conjunction with other schoolwide diagnostic assessments to determine on air, field and curriculum priorities that can be specifically implemented in each year level.)  
Differentiation using Learning Styles inventory  
(All staff, tutors and students will become familiar with and tested with a learning style inventory to help us differentiate curriculum for students according to their different learning styles. Older students to use this knowledge to develop effective personal learning strategies.)  
Developing the Western Alliance - Year 7 to secondary.  
(To build capacity in our secondary department by forming a Western Alliance with Charleville and Longreach SDE’s to allow more specialist teaching, greater subject choice and extra curricula offerings and a larger cohort for student interaction both on air and in the field. This will be achieved in conjunction with transitioning Year 7’s to secondary under the Flying Start proposal.) | Description  
100 % Participation  
Student Progress  
Administration of Learning Styles inventory  
Parental Satisfaction | Target  
100%  
90% of children meet school benchmarks  
100%  
95% of families are satisfied and using the Learning Styles inventory | Date

**Values**

- Well resourced programs
- Developing children’s potential to the fullest
- Parent involvement in the education process
- Development of HT’s skills and interests
- Realistic standards of achievement for each student
- Each child experiencing many and varied forms of success Enjoyable learning
- Enjoyable learning

**Research underpinning teaching practice**

- Dimensions of teaching and learning
- Differentiated instruction

**Consultation has occurred with**

- P&C
- School Council
- Supervisor
- LCC / Teachers

**Other requirements**

**Measurement of outputs**

- Improvement in Naplan data  
  Improvement in mean scores  
  Higher across the range  
  Dec 2013
## Evidence sources used

- NAPLAN
- SOS – parents
- Teaching & learning audit
- School wide survey and consultation
- SOS – students
- SOS – teachers
- Teacher assessment
### School and Community partnerships

High levels of student, parent, staff and broader school community confidence in the school’s performance and achievement

### School curriculum

Commitment to core learning priorities. Coherent and sequenced plan for curriculum, Teaching and learning audits, Planning for improvement

### Teaching practice

High quality teaching practices. Collaborative practices, Consistent pedagogical practice, Evidence-base decision making

### Principal leadership and School capability

Instructional leadership, Principal's capability and leadership framework (PCLF), Developing workforce performance, Differentiated supervision, Capability development

### Other requirements

These plans are included in the school's Implementation Plan to facilitate line-of-sight with the school's strategic plan
